

## Make a difference on the issues that are important to you!

From reproductive rights and civil liberties to religious freedom, economic justice, and Israeli women’s well-being, the NCJW Action Center helps you speak out with just the click of a mouse!

Get started in three easy steps:

1. Go to [www.ncjw.org](http://www.ncjw.org)
2. Click on the red “stand up and speak out” box
3. Take action

Then, multiply your impact by telling friends to join you. Our voice is stronger when we speak out together!
