**Subject:** Help Strengthen NCJW

Dear Section Leader,

One of the easiest and most effective ways you can help strengthen the NCJW community is by expanding the size and reach of the NCJW Action Center — our primary hub for online communications and advocacy. I encourage you to reach out to your friends, family, and colleagues to invite them to sign up today for action alerts at the Action Center.

We have prepared an easily-customizable email message below for your convenience. When preparing your email, please be sure to copy and paste the underlined text to preserve the links.

Dear (insert first name here):

As I begin/continue (choose one) my term as LEADERSHIP TITLE HERE of the NAME OF SECTION HERE, I want to thank you for all of your support, and tell you what an honor it is to help lead a local section of an organization that has 115 years of history striving for social justice.

The NAME OF SECTION -- one of over 100 sections doing important work in over 500 communities nationwide -- strengthens NCJW's capacity to strive for social justice by improving the quality of life for women, children, and families, and safeguarding individual rights and freedoms.

Please help our advocacy efforts by signing up to receive emails from the NCJW Action Center today, and encourage your own friends and family members to do the same. It only takes a few moments to sign up, and these emails will keep you informed and empower you to act on the issues that mean most to you.

Please log on and sign up today. In doing so, you'll be contributing to the mission of NCJW and supporting me as a leader of this compassionate and courageous organization. Thank you for helping NCJW to improve the quality of life for women, children, and families.

Warmest regards,

(Insert your name here)
